

MSR Workshop & CM Executive Leadership Summit

WEEKES IN THE INDUSTRY!

April 28, 2016

DENNIS FAHEY PRESENTS FUTURES TRADING BASICS COURSE

Today, at the North American Conference or MSR Workshop & Component Manufacturer Executive Leadership Summit Dennis Fahey from North Star Forest Products (a division of Weekes Forest Products) presented instructional basics on Futures Lumber Trading. Speaking to Manufacturers and Distributors from across North America, Dennis detailed the many variables that go into the decisions on taking a position on this highly technical and fast moving part of our Industry. Dennis explains, "I tried to keep my talk grounded in the basics, in order to try to take some of the mystery out of the subject. It's hard to explain to others what you yourself have learned over decades of experience." "Lots of discussion and questions ensued, proving the level of interest in this level of trading."

"Congratulations Dennis on your continued leadership in this industry!"
