OUTDOOR LIVING[®]

THE OUTSIDE COMPANY™

Get outside and live your best life

We realize that inside each of us, there is an Outside Side™ — a side begging to get out there, to be outgoing, to break out of our same old inside routines and to outdo ourselves with our outdoor space. At Barrette Outdoor Living, we help your Outside Side run free with products that constantly beckon you out there. We know there is an Outside Side in everyone and we're firm believers that it's our best side because we're The Outside Company™.

Your vision

Your home is more than just a space. It's where you raise a family. It's where friends gather, and seasons come and go. It is a living, breathing picture of your life. With our diverse and flexible range of outdoor living solutions, Barrette Outdoor Living can help you bring any vision to life.

Our mission

Barrette Outdoor Living strives to be the best in product design and innovation, inspired by those who work with and for us to create superior outdoor living solutions both professionals and homeowners demand. At the core of our business is a place where integrity, ingenuity and skill meet.

Our promise to you

At Barrette Outdoor Living, we believe in making things right. We proudly stand behind our products by providing dedicated support, superior customer service and product warranties that feature some of the most comprehensive coverage in the industry. With decades of experience behind us, we are quite confident in the craftsmanship and quality of our products, but we also realize things happen. If that thing happens, we promise to make it right within the constraints of our warranties.

Barrette Outdoor Living's most premium collection of railing with the widest range of materials, designs and profiles — perfect for both residential and commercial settings.

Versatility in design

RDI® Railing — available in vinyl, aluminum, steel and composite — with its ability to mix-and-match, allows for a wide range of customized options. RDI Railing products feature a variety of infill options, including modern cable, contemporary glass, design-forward Decorative Screen Panels (DSPs) and traditional balusters. If you want a more secluded space, our modern privacy railing comes in a variety of colors and can be further customized by adding DSPs in the top section. Complete your project by adding solar post caps and our easy-to-install LED lighting system.

Code compliant

RDI railings meet or exceed building requirements and are code compliant. Our ADA handrails ensure safety for everyone.

Easy to install

RDI railings either come pre-assembled or require minimal assembly, making our railing easy to install.

Warranty

RDI railings are made with durable materials and are backed by our Transferable Limited Lifetime Warranty* — as a part of our promise to you.

TRANSFORM®

Transform Composite Railing has the look and feel of a wood railing, but provides superior resistance to moisture, mold and warping. Made with Compositore® — a material that contains no wood or organic fibers — Transform features a lightly textured, durable finish. Available with multiple top rail options and infill styles, including traditional square balusters, black round aluminum balusters and cable. For a more unique product, you can mix and match Avalon Aluminum Railing or MetalWorks Excalibur Steel Railing with Transform posts and top rails to easily create a custom fabricated look that doesn't require custom work.

PRODUCT BENEFITS

- Square and round aluminum balusters securely fit into rails without using screws
- Cable infill option attaches easily to posts
- Universal bracket for level, stair and angled applications
- Code compliant
- Made in the USA

HOMEOWNER BENEFITS

- Does not warp, splinter or rot
- Easy to maintain
- Long lasting color retention
- Transferrable Limited Lifetime Warranty

DESIGN VERSATILITY

- Hidden brackets provide a clean, finished look
- Mix and match with aluminum or steel railing for a custom look
- 4 top rail options and 3 infill options
- Available in 4 colors

COMPOSICORE®

Compositore used in our railing products, contains no wood fibers, making it water resistant meaning it will not rot, splinter, warp or stain and is resistant to mold — keeping your railing beautiful for years to come.

SOLARGUARD®

SolarGuard is a material composition that provides fade resistance* so that your outdoor living products will look good for years to come.

*Does not apply to white vinyl products.
