

SOUTHERN PINE

NATURAL BEAUTY, STRENGTH AND VALUE.

SOUTHERN PINE AUBURN

Synergy Southern Pine is handcrafted to showcase the natural color, grain and smooth texture of each board. Southern Pine features a pale yellow to reddish brown tones. Variations in the wood, which can include knot structure, color, and grain patterns, should be expected and is where the beauty of real wood shines. These variations in the wood are the reason real wood is chosen to beautify a home. Synergy Wood™ only uses Eco-friendly water based and Zero VOC finishes on our wood products.

Synergy Wood® manufactures pre-finished wood paneling for ceilings and walls used by homeowners and contractors, eliminating the unforeseen challenges of finishing wood at the jobsite. Our products create a warm and inviting space for our customers to enjoy for years to come.

- ✓ Prefinished: No Sanding, Staining or Finishing On-site
- ✓ Color Selection and Project Estimating Simplified
- ✓ Reduces Skilled Labor at Jobsite
- ✓ V-Joint & Nickel Joint T&G with End Matching
- ✓ Proudly Handcrafted in America
