

ALUMINUM PLANK SIDING

A COMPLETE CONCEALED FASTENER SYSTEM

ELEVATE YOUR BUILDING DESIGN WITH FASTPLANK[®]

FastPlank[®] is an inexpensive way to draw attention to your business, make an impression, and demonstrate the quality and care that you put into your projects. Your exterior will look clean and elegant for years to come with our 20-year finish warranty, allowing you to stand out from the competition.

FastPlank[®] is a fully concealed fastener system that creates a rainscreen air cavity to protect your structure from water infiltration and reduce heat transfer.

Our **FastPlank[®]** Clip System incorporates the most up to date building science technology, allowing you to have the very best exterior available, while respecting your construction budget.

Protect and increase the value of your brand for years to come and partner with us today.

Start by contacting your local Engage Building Product representative.

MAKE A STATEMENT MAKE A STATEMENT MAKE A STATEMENT

COLORS TO ENHANCE YOUR VISION

Available in five refined standard woodgrain patterns or any custom color through our **ColorMatch™** program. Stand out from the crowd by using **FastPlank®** planks to elevate your own original residential or commercial designs.

INNOVATIVE INSTALLATION

FastPlank® Systems incorporates an innovative **Clip & Slide™** clip system that streamlines installation, prevents gapping and buckling, and ensures long-term appeal and functionality of the building product.

BUILT-IN RAINSCREEN

Our **FastPlank®** System is a natural choice for water management, amplified by the patented technologies we use to channel water away from the building envelope.

LONG LASTING DURABILITY

FastPlank® Systems is non-combustible, hail and impact resistant, fade resistant, and comes with a 50-year product warranty. We take *no maintenance* up a level!

SEE THE BENEFITS OF A NATURAL LOOKING WOODGRAIN ALUMINUM SIDING SYSTEM.

Our **FastPlank®** siding is the perfect complement to your existing building façade. Turn any commercial building into a modern architectural masterpiece with tasteful additions of **FastPlank®** siding to bring elegance to your designs.

TIME IS MONEY.

We respect your business; we respect your time.

Our contractors and installers are what make the **FastPlank®** aluminum cladding system look beautiful on their customers' homes. The thoughtful design behind this complete system ensures that you can install quickly and make money.

The **FastPlank® Clip & Slide™** attachment clips quickly secure the planks to the wall every 16 to 32 inches. Our 16' foot planks are durable and lightweight for easy handling, plus our extruded aluminum profiles cut easily (and dust-free!) with a non-ferrous carbide blade.

Try **FastPlank®** to see for yourself how quick and easy it is to install. This system can make money for your business.

Contact your local Engage Building Materials representative to set up installation training and free **FastPlank®** job estimation.

MODERN. AFFORDABLE. DURABLE.™

Backed by 50-year product and 20-year finish warranties, **FastPlank®** Systems is North America's premier choice for aluminum cladding systems.

Comprehensive customer support throughout North America. Our team of industry professionals is equipped to assist you regardless of location.
