

Our Vision:

We aspire to be the recognized market leader and preferred source of wholesale building materials, serving as our customers' first choice supplier, our suppliers' first choice customer, and our employees' first choice employer.

Our Mission:

As a leader in the building materials industry, we strive to establish long-lasting relationships with our stakeholders by aligning with leading suppliers of quality products and brands to provide outstanding value to our customers. We are committed to servicing our customers while improving the lives of our employee owners through maximizing long-term profitability and growth.

Our Values:

❖ Safety

Each of us is responsible for prioritizing well-being and fostering an environment that is safe and embraces best practices to ensure protection and peace of mind for all.

❖ Integrity

We are committed to maintaining honesty and consistency in our actions, aligning our behavior to be ethical, and being socially responsible.

❖ Accountability

We take responsibility for our actions, decisions, and their consequences, while demonstrating transparency and a commitment to fulfilling obligations.

❖ Service

We meet and exceed customers' needs, provide solutions, and collaborate to ensure success and customer satisfaction.
